

Board of Trustees Update August 17th 2010

Property

On advice from NZSTA we will be reviewing our boiler inspection and Health and Safety Procedures to ensure that the boiler is inspected annually, is regularly maintained and the operator is trained.

ERO

The ERO team were back in the school on Wednesday 18th to monitor our progress and to discuss our Next Steps as part of the longitudinal review process.

School Donations

Thank you to those parents who came along to the meeting. Some very good and helpful comments/ideas were discussed on the night. We will be advising the community, via the website and Gazette how the school is funded and where the money is spent.

Three-way Conferences

We had 16 replies to the Parent survey which gave us an indication of parents' feelings to the conference format. Staff and students also provided feedback which will be taken into consideration when planning our next round of conferences.

Staff

Recruitment of new Principal

We will be advertising the Principal's position in the September Education Gazette with a view to appoint for commencement in the New Year. We will also put the advertisement on the school website and circulate to our school community, so we'd appreciate your help in positively promoting this vacancy and our school.

Sick Leave

Lorraine Vujcich is currently on sick leave. Christine Mayo has kindly stepped in to assist John while Lorraine is away.
